

Zator Commune – The Capital of Carp Valley

Zator is a 725 years old town located in western part of Małopolska, above the mountain river Skawa. Zator is placed at a short distance from the Silesia agglomeration (40 km), and Kraków (42 km), very close to Oświęcim and Wadowice, cities known all over the world. There are over 4 thousand people living in Zator Town, and almost 10 thousand in the whole Commune. Total area of Zator Commune is 52 square kilometers, most of the area is covered with ponds, water reservoirs and rivers. 60 % of this region with its cherished in Europe species of wildlife, is included in NATURA 2000 programme.

Zator is famous for Zator Carp, which has been bred at this region since Medieval Times. This unique fish has been registered as a Protected designation of origin among regional products of European Union.

Zator is also an excellent place for entertainment, sport and family recreation. You can visit the amusement park with rollercoasters Energylandia, which is the biggest in central Europe, the park with moving dinosaurs DinoZatorland and a set of theme parks Zatorland.

Zator is developing economically and owns the Economic Zone.
